**SLICK'S QUE CO. OPENS BEND OREGON LOCATION
GRAND OPENING THURSDAY MAY 26TH WITH FREE FOOD OFFER**

Bend, OR – May 26, 2011 – Slick's Que Co., the award winning barbeque restaurant based in Sisters Oregon, is announcing the grand opening of its second restaurant in Bend Oregon this Thursday, May 26th at 11:00AM with a very special offer for the first 100 customers. The first 50 people through the door will get free sandwiches and a side dish (once a month) for a year! The next 50 people through the door on grand opening day will get a free half rack of ribs and a side dish. The new Bend restaurant is located at 212 NE Revere Ave, is open at 11:00AM and will serve food all day til they run out of barbeque.

Slick's Que Co. has been operating in Sisters Oregon since early 2009 and has become a popular destination for people all over the Northwest. Slick's has received high marks from numerous foodie websites and in 2010, was listed as one of the "Best of the Best Barbeque Restaurants in America" by the National Barbeque News.

Slick's Que Co. owner Roy Slicker said: "Opening a second location was a very big decision and we chose Bend due to the number of people asking that we open closer to where they live and work. While the Sisters location drew a lot of people from the Bend area, people just wouldn't jump in the car and head up there for lunch. While the Sisters location remains strong with the locals and tourists, we just felt it was time to bring our approach to barbeque into the Bend market." The new Slick's Que Co. in Bend is located just off 3rd on Revere. Slicker went on to say: "This location on Revere is a perfect spot with easy access for the people who live, work or traverse the area every day. We'll continue to operate the same way we do up in Sisters with a focus on providing outstanding authentic pit barbeque in a great family friendly environment."

Slick's Que Co. offers eat-in, take-out and catering, and they sell barbeque meats by the pound and lunch and dinner kits to feed any size family. In addition, Slick's offers family friendly music every Friday from 6:00 – 8:00PM and patio seating with a fire pit straight from the Amish in Pennsylvania.
